## Ancient City Kingfish 2024 Challenge

The Ancient City Kingfish Challenge is one of the longest running tournaments in Northeast Florida. This tournament is produced and managed by Ancient City Game Fish Association; a not-for-profit organization founded in 1958. Our goal is to serve and promote the local fishing in our community. With money that we earn from the Challenge we donate back to our community to organizations that go above and beyond to help members in the community.

The ongoing success of the Challenge Tournament is based on our club's ability to maintain and develop lasting relationships with our sponsors. Our 2024 tournament is scheduled for June 27-29<sup>th</sup>, 2024.

Attached are the benefits you will receive by partnering with us in this event. Packages may be customized to fit your needs and/or modified to include your product as part of your sponsorship commitment. All sponsorship levels include an ad in our Challenge Magazine.

We welcome quality companies in our local community to be part of this great event. If you would like to be contacted by an ACGFA member for more specific information, call the ACGFA point of contact listed below.

Sincerely,

Melissa Strickland
